No. 57001/240

The Royal Thai Embassy in Hanoi presents its compliments to the Ministry of Foreign Affairs of the Socialist Republic of Vietnam and has the honour to inform the latter that on 16 April 2021, Thailand authorized the official use of COVID-19 Certificate of Vaccination issued by the Department of Disease Control, Ministry of Public Health of Thailand, to persons who are inoculated with the COVID-19 vaccine. The sample of said certificate is enclosed herewith.

In this connection, the Embassy requests the kind of assistance of the Ministry in transmitting the above information and enclosed sample vaccine certificate to the relevant authorities with a view that it could be accepted by the relevant Vietnamese authorities in current or future arrangements regarding mutual recognition of vaccine certification.

Furthermore, the Embassy would be highly appreciative if the Ministry could kindly seek acknowledgement of the aforementioned document from the relevant authorities, as well as request a sample of the official COVID-19 Certificate of Vaccination of the Socialist Republic of Vietnam and the verification methods for said certificate.

The Royal Thai Embassy in Hanoi avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Socialist Republic of Vietnam the assurances of its highest consideration.

has on the date indicated been vaccinated against COVID-19.

Dose	Name of Vaccine	Date of vaccination	Manufacturer and batch no. of vaccine	Certificate issue date	Signature and professional status of authorized officer	Official stamp of issued center

- This certificate is valid only if the Coronavirus disease 2019 (COVID-19) vaccine used has been registered under the law on drug of the Kingdom of Thailand or approved by the World Health Organization.
- This certificate must be signed by the Director-General of the Department of Disease Control or a person assigned by the Director-General of the Department of Disease Control. The certificate may also bear the official stamp of the organization to which such issuer is subordinate; however, this shall not be an accepted substitute for the signature.
- Any correction of the certificate, or erased mark, or failure to complete any part of it, may render it invalid.
- The validity of the certificate shall extend until the date indicated for the particular vaccination or prophylaxis. The certificate shall be fully completed in English and may also be completed in another language on the same document, in addition to English.
- Certificates are individual and shall, in no circumstances, be used collectively. Separate certificates shall be used for children.
- A parent or guardian shall sign the certificate when the child (younger than 7 years old) is unable to write. The signature of an illiterate shall be indicated in the usual manner by the person's fingerprint (usually the right thumb).
